Retained on the Cal.

Tommy, aged 4, wanted to sit at the dinner table one day when company was present, but was sent away with the remark that his whiskers weren't long enough for him to sit there. He was given his dinner at a small table by himself, and while he was eating a pet cat came prancing about him. "Oh, go 'way," said Tommy. "Your whiskers are big enough to eat at the company table."

The "Association Brief" the Y. M. C. A. official paper, is out for this week, and contains the following items of interest:

The committee is at work on a new paper, and will be ready to take care of the 20th of the month. These social gatherings always prove very enjoyable affairs, and it is hoped that they shall increase in popularity as the Association grows.

Several candidates in the local election to leave at a moment's notice. They have their luggage all in good shape and ready to hitch up. They will have a good night of it and will be back in the city tomorrow.

The most attractive feature in the program for the carnival on the 20th and 27th of this month will be the prize race and football game on the river in front of the city.

John J. Reilly, manager of the Sangre de Toros company for this territory, has a large lot of ties in the city, Cumberland and Tennessee rivers, which he will have moved as soon as the river is sufficiently high to admit of boats starting out.

The Arkansas Land's new building will be completed next week.

The city of Paducah received a beautiful lot of furniture today for the ladies' club, also a fine lot of the carpet and a beautiful rug in carpet for the main hall.

LAY CASE.

Efforts Being Made to Secure a Change of Judge.

The celebrated case of Mrs. Lay against Dr. Young, of Paducah, for \$20,000, which has been in the federal court for several years, comes up in two weeks, and will this time be tried at all, be tried in Paducah county, Ill., at Mount City, to which county a change of venue was granted at the last term of the federal court.

Attorneys Moss and Lightfoot, of the city, are attorneys for the plaintiff, and the latter has just returned from Chicago.

Under the present conditions, the case will be tried by the same judge, although in a different county, as he is presiding judge of both counties, and the attorneys have been trying to get a change of judge also. It is thought that they will be
